Re: Case No. 2004-00094

Dear Ms. O'Donnell:

I am writing to you on behalf of the Beckley Woods Residents Association. Our Association is very interested in the above referenced case. With the transfer of ownership of the Lake Forest sewage treatment facility from Lake Forest Disposal Systems, LLC, to the Metropolitan Sewer District, we are extremely concerned that the level of service may not stay the same as it has in prior years. We also have questions concerning rates that may be adjusted as a result of the proposed transfer in ownership.

Our Association would like to respectfully request that this case be continued for up to 120 days in order for a hearing to be held to address our concerns. To this end, our Association is filing a motion for same. I have faxed a copy of this motion to you and am mailing the original and copies to you today. I am also mailing copies of all documentation to all parties.

Your cooperation is appreciated

Sincerely,

Gary S. Edelen
